SNAP Sneaks a Peek

What a Bridge Does

Glen Manor Bridge connects Pine Glen Road and Williamson Road. Originally the wooden bridge was built in 1912 and replaced in 2007. It provides quick access to Williamson Road Public School and Glen Ames. It also overlooks the arrival of Santa, always the second Tuesday in December. The first event was organized by Jim and Nancy Palmer in 1988 and this last Christmas was the twenty third anniversary of Carolers in the Park. Warmed by hot chocolate and hot apple cider, with children delighted by the handout of candy canes, Beachers gather together, to sing ancient and contemporary Christmas songs. "Gloria in Excelsis Deo" and similar hymns were popular compositions taken from private psalms dating back to the 2nd and 3rd century, the Latin exultation meaning Glory to God in the Highest. Good Will to All Men. Every year we, as a community, meet at the south end of Glen Manor Park to listen to and join in song and good will, with the Salvation Army Band and the Beach United Choir. A Celebration of Christmas, the Holiday Season and a special warming time of year. These traditions also help to ring in the New Year where things begin anew aided by the excitement of time honoured wishes for Good Will, Peace and Joy.

MRS CLAUS VISITS CANADIAN TIRE

Josh shows off his cookie

Brown and Rowan decorate their cookies

Mrs. Claus helped usher in the Christmas spirit by hosting cookie decorating workshops for kids at Canadian Tire located at Leslie and Lakeshore Plaza. With the aid from Santa's elves, Mrs. Claus encouraged Canadian Tire customers to take a break from holiday shopping and sit back and decorate a Christmas cookie. Shoppers were easily persuaded, too, as kids jumped at the opportunity to make a holiday treat!
